

Model: TP4-010

137661543965

Product picture:

Specification:

1. Working voltage: DC 3V
Working average current: $\leq 0.3\text{mA}$
Stand-by current: $\leq 1\mu\text{A}$
2. Operating distance: ≤ 10 meters
3. Working frequency: 2.4G
4. Bluetooth versions: 3.0
5. Size: 140 * 54 * 20.5MM
6. Weight: 80g

Introduction:

This product adopts Bluetooth 3.0 technology. When ps4 console is connected with the remote, you can touch the key on the remote to control ps4 Blu-ray DVD. You can perform fast forward, rewind, play, pause, HOME, OPTION, TOP MENU, up, down, left, right direction key functions. The fastest distance is up to 10 meters. You don't need to worry about control it. You just need to aim at the console to avoid some problem of the infrared remote control.

The remote panel adopts inner screen printing. No matter how long you use, the pattern and the symbol will never fade. Just insert two AAA 1.5V batteries to supply power. This product has secondary connection function, which is really convenient for use next time.

Feature:

1. This product Feature adopts Bluetooth 3.0 technology, which is stable and reliable.
2. The buttons adopt PVC material, with inner screen printing technology. No matter how long you use, the pattern and the symbol will never fade.
